MAKE LIFE A RIDE

MAKE MORE OF YOUR CITY

Elegant, sporty and stylish in the city and surroundings:

The C 400 GT has gained a firm place in the mid-size scooter segment globally. The GT represents a high degree of innovation and is clearly defined as a premium product.

Ride by Wire and a new engine control unit ensure compliance with the current Euro 5 standard with the additional benefit of a faster system responsiveness and a very fine, harmonious throttle response. The C 400 GT is equipped with an additional USB charging box, an automatically calibrating ASC, new brake calipers and an improved position of the storage compartment lighting.

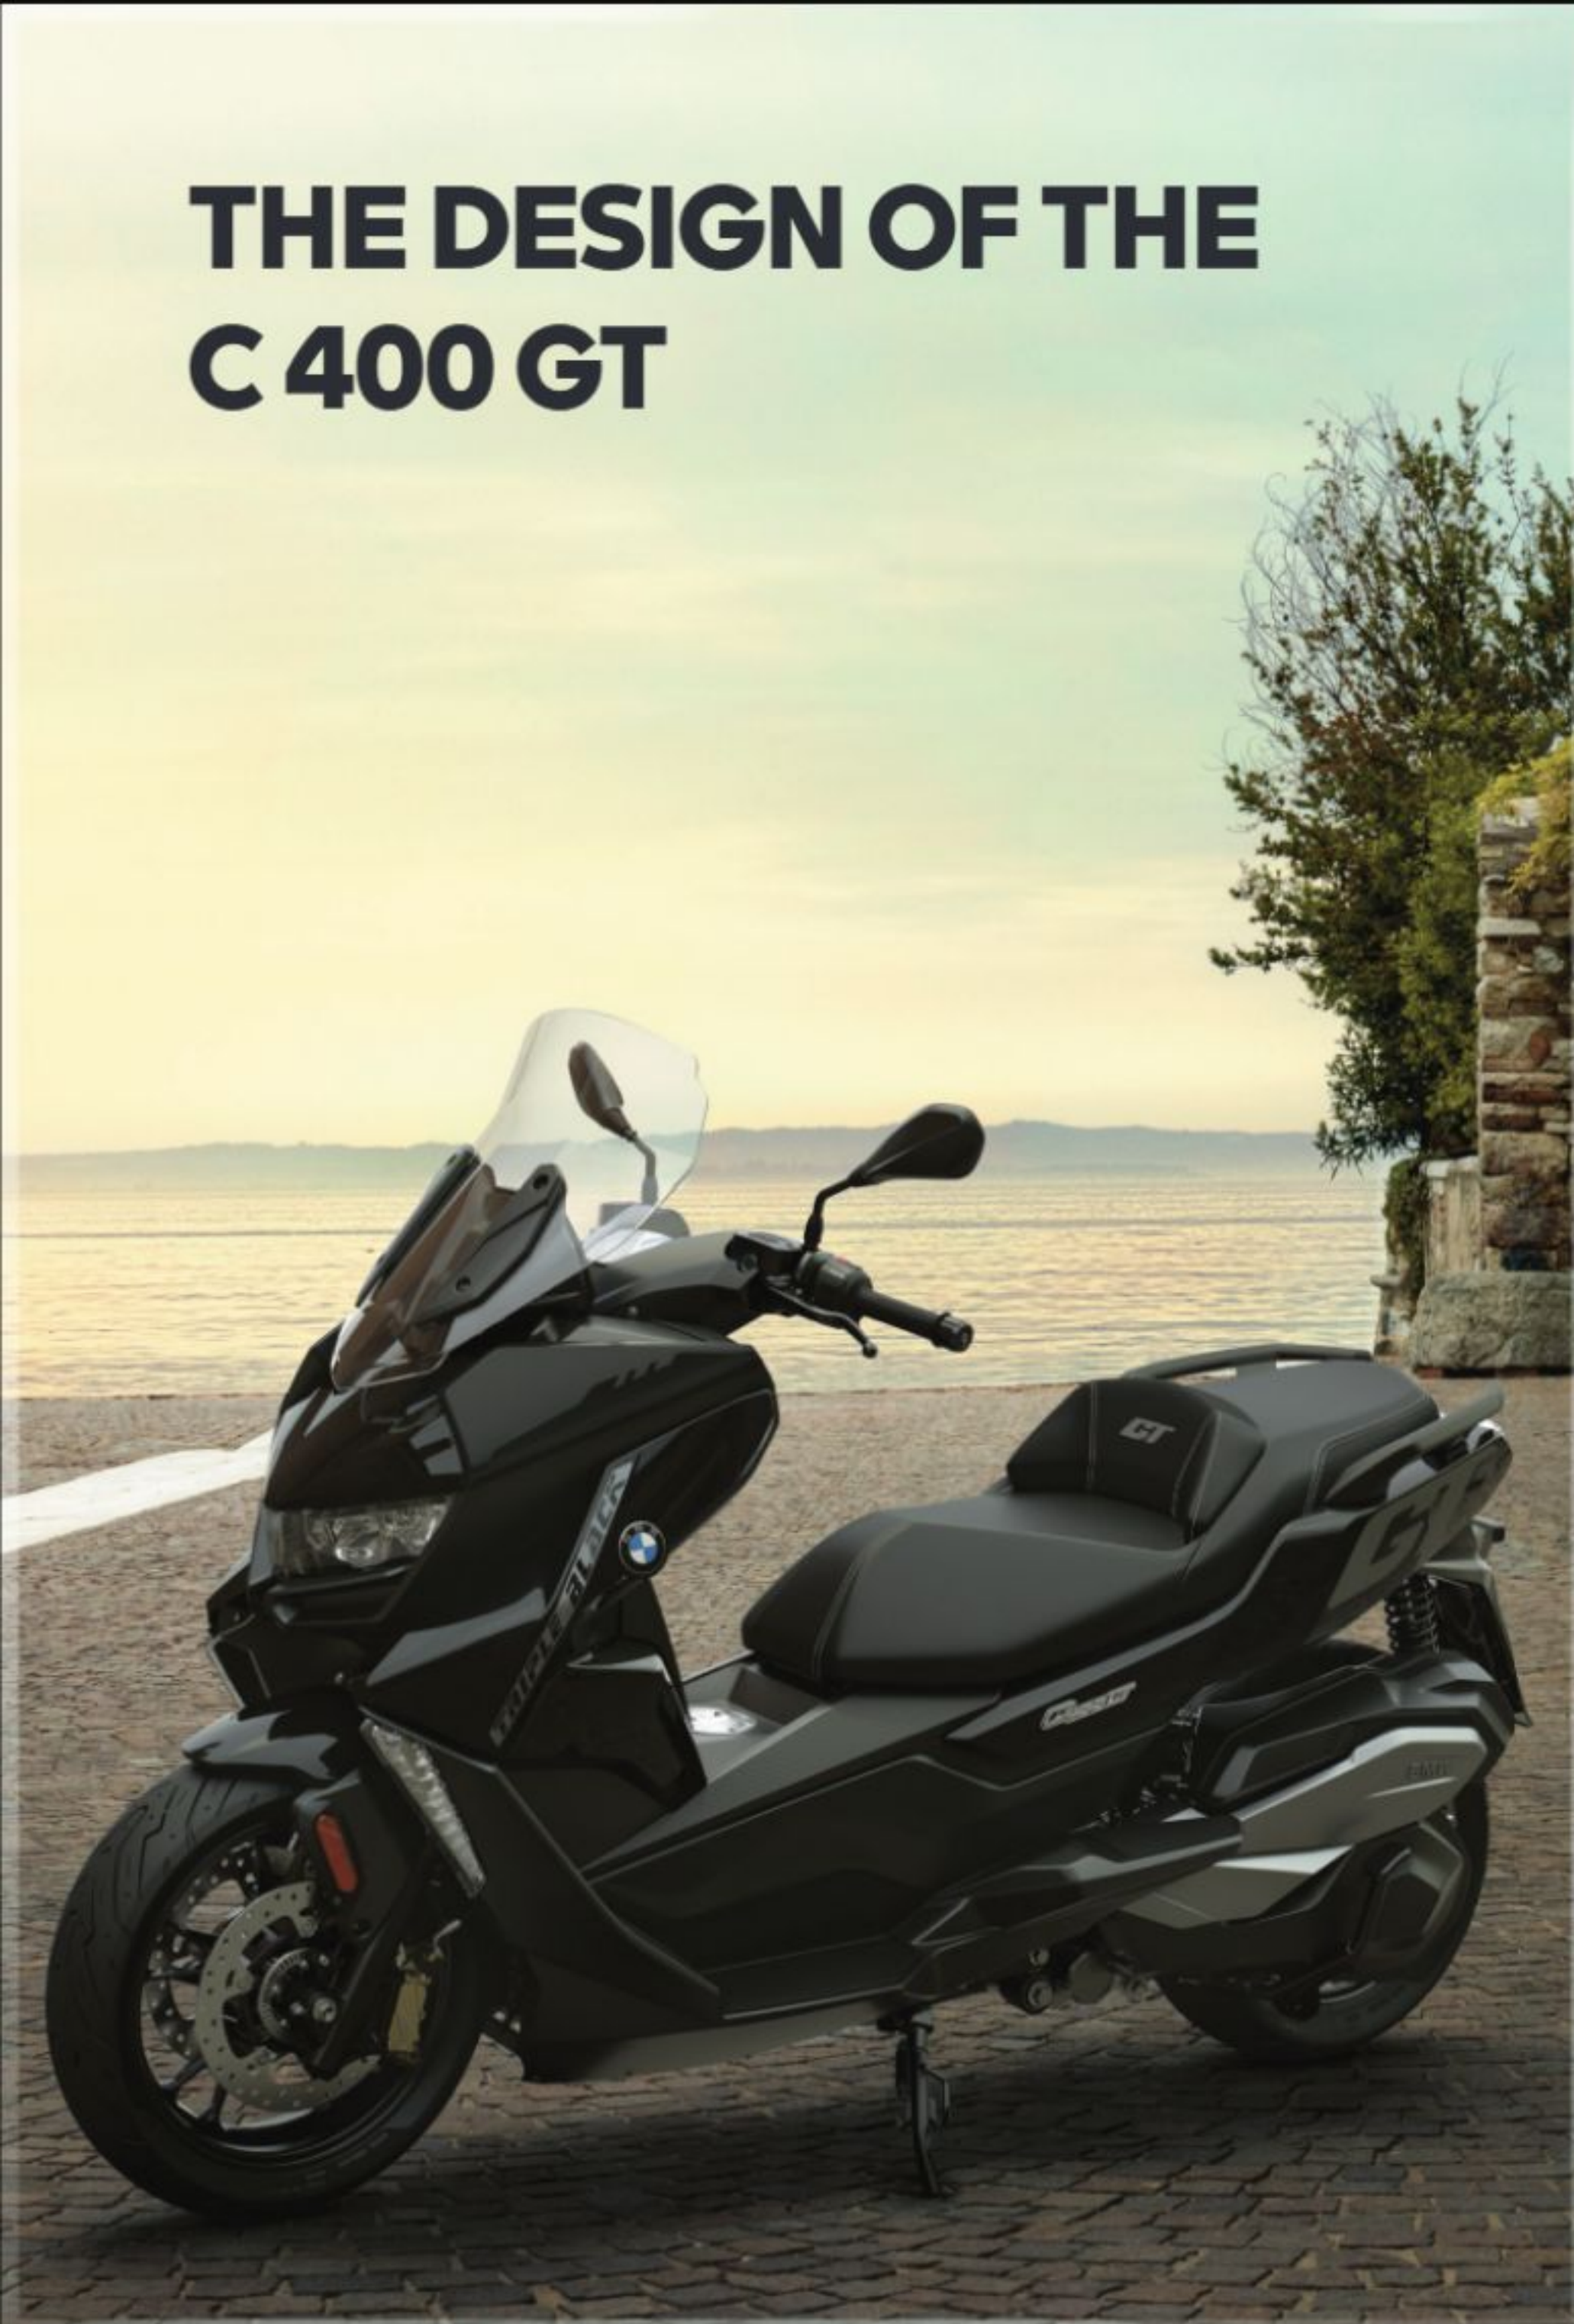

CONNECTED TO THE CITY – AND THE WHOLE WORLD

The C 400 GT is an elegant and sporty mid-size scooter for the city and surrounding area. It meets the high expectations for innovation and premium demands of the modern, urban target group who wants to cover distances quickly and comfortably and enjoy being up-to-date with cutting-edge technology.

CHOOSE YOUR STYLE

ALPINE WHITE

The popular colour white for the scooter underlines the classic appearance of the C 400 GT.

CHOOSE YOUR STYLE

STYLE TRIPLE BLACK

The combination of the basic colour Blackstorm Metallic with large-area tapes, as well as golden brake calipers, guarantee a cool and valuable appearance.

A silhouette of a person wearing a motorcycle helmet and jacket stands next to a motorcycle on a street. The person is holding a pair of gloves. The motorcycle is parked on the right side of the frame. The background shows a street with a building and a street lamp. The scene is dimly lit, suggesting dusk or dawn.
