LEXUS VISION MAKING LUXURY PERSONAL

Real luxury is never superficial, but thoughtfully considered and gracefully delivered. It feels engaging, exhilarating, and deeply personal. Not merely personalized in the sense of product features, but genuinely compassionate.

It's expressed through imaginative technology that's both effortless and intuitive. It's Omotenashi that exceeds expectations, with heartfelt hospitality.

And it's meticulous craft and refined elegance that captivate the senses.

By making luxury personal, Lexus will authentically create happiness in motion.

LX LEGACY

Lexus introduced the LX in 1995, as a powerful luxury SUV that fused muscular looks & exhilarating performance with intelligent packaging worthy of an iconic flagship.

Since then, every generation has matched the sublime refinement and finesse that are distinct hallmarks of the Lexus luxury.

3rd Generation LX was introduced in 2008

INTRODUCING
THE ALL-NEW LEXUS LX 500d
UNCHARTED LUXURY. CRAFTED.

UNCHARTED HERITAGE

Heritage is always absolute, it's the capacity to go where no one else can.

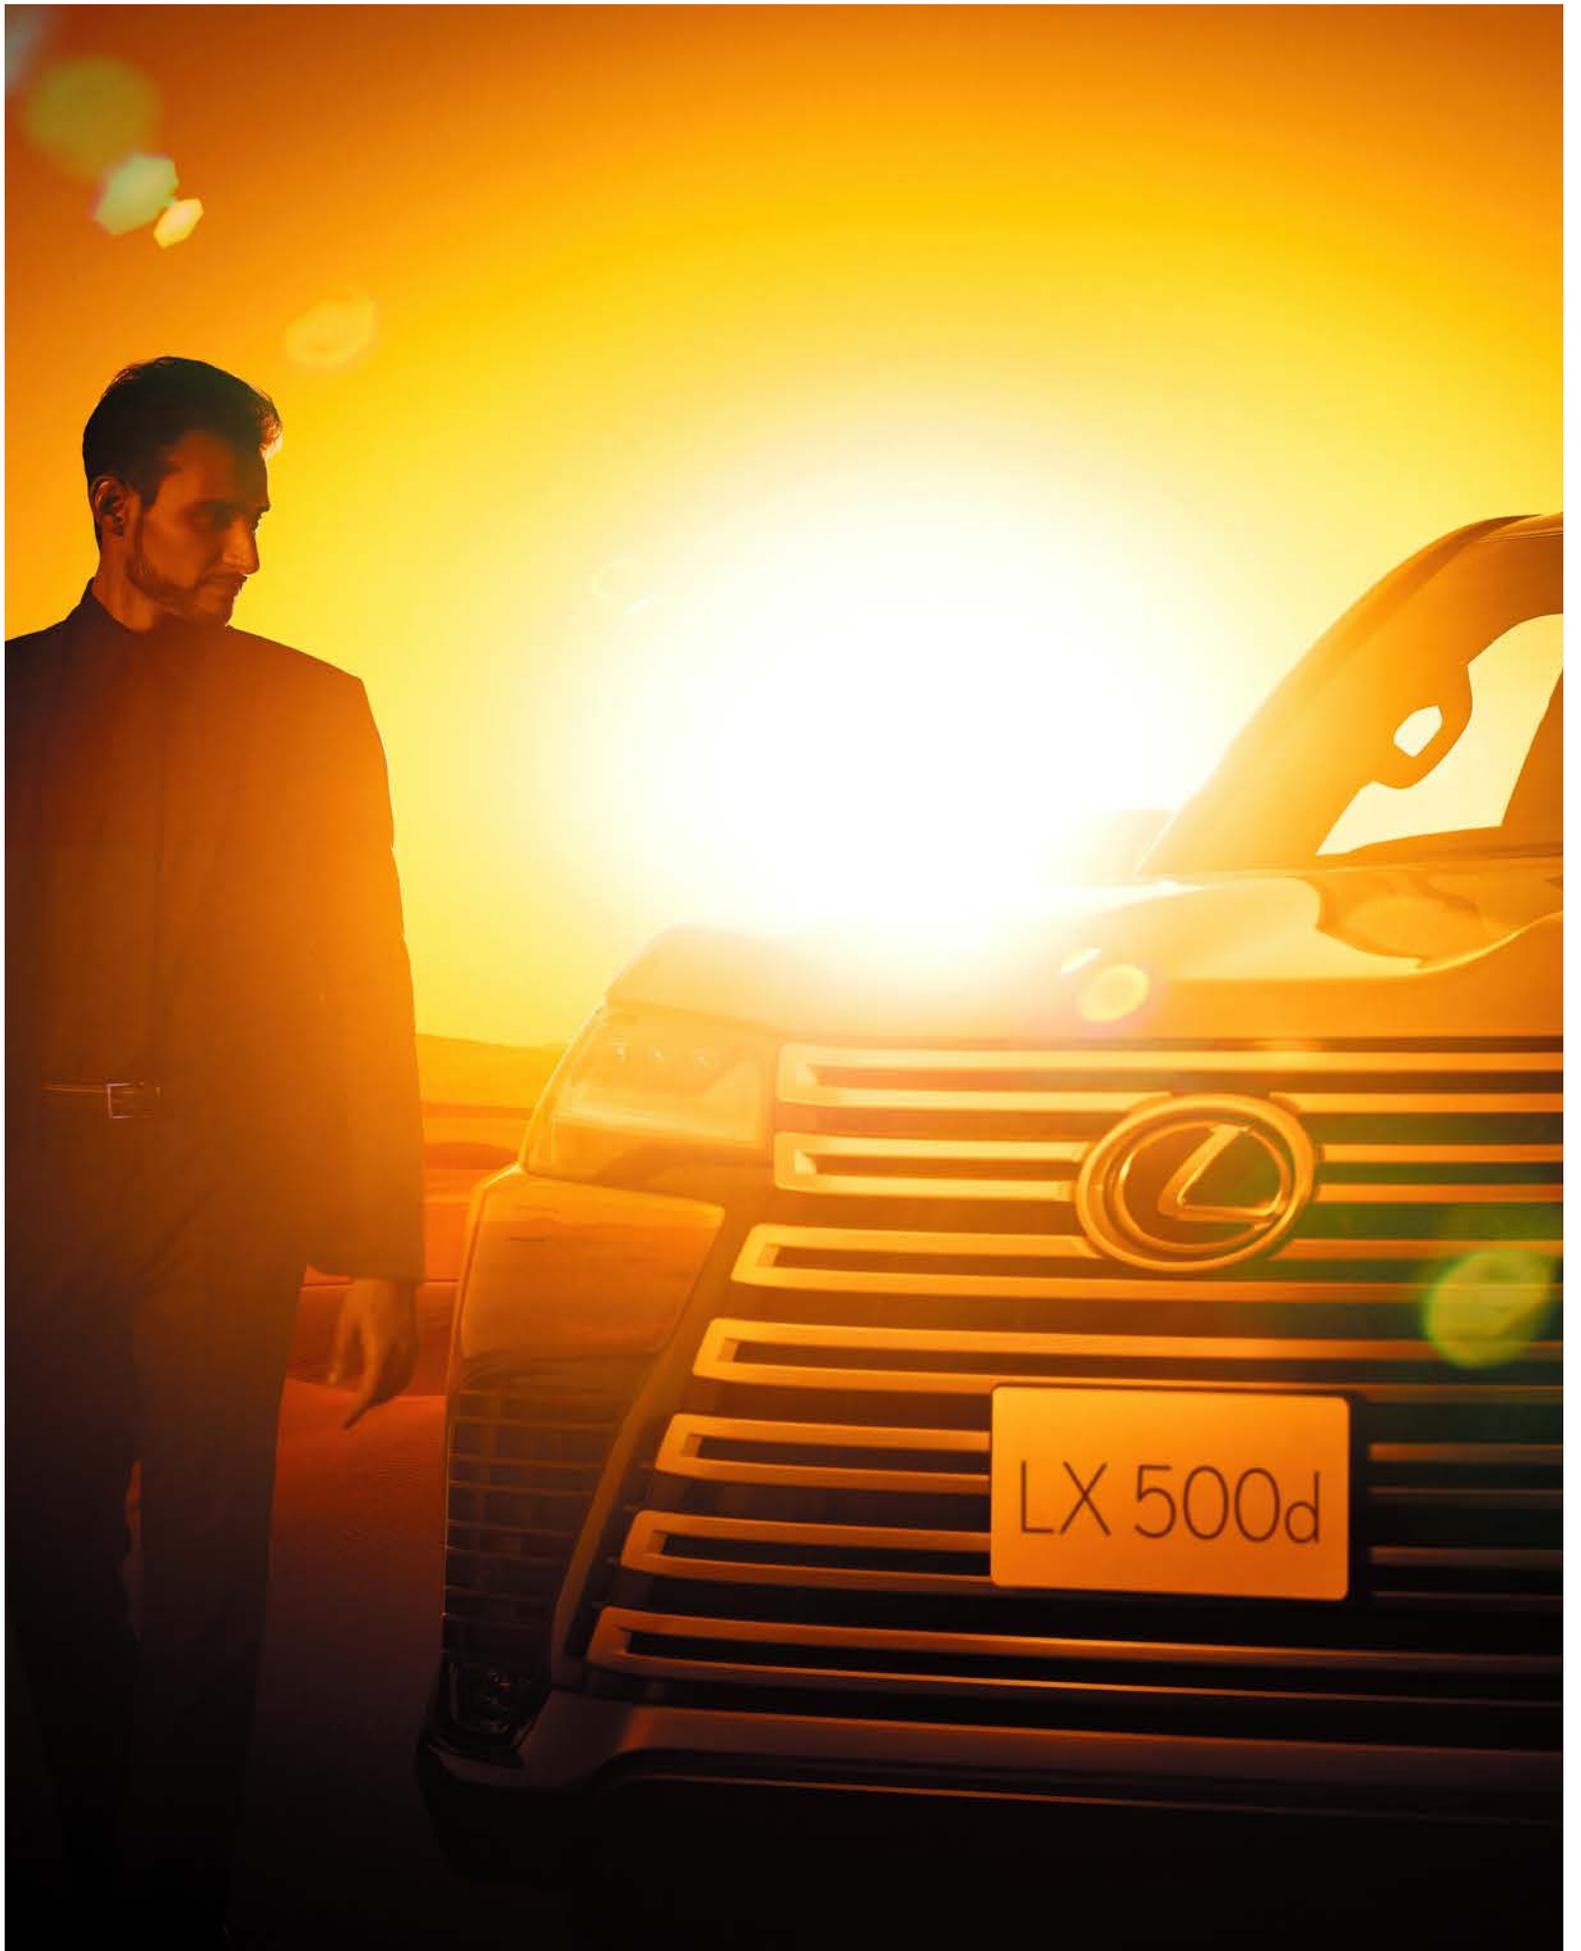

Power of such magnitude can never go unseen. For 27 years, the LX has completely reimagined to elevate the drive to unprecedented heights.

This is the next chapter of flagship luxury.

UNCHARTED POSSIBILITY

Crafting a driving experience around your senses means there is no meeting halfway. It means going all in, on an all-new powerful 3.3L V6 diesel engine with two-way twin turbo system.

Engineering an entirely new platform that's lighter and has a lower centre of gravity, with a frame that is as strong and rigid as before. It's the best of all worlds, crafted for one purpose: to empower you to discover more.

UNCHARTED BRILLIANCE

Designed to command and not conform, the LX embodies an astounding V6 engine plus traction and posture technologies that keep you on your intended path whilst achieving amazing driving performance.

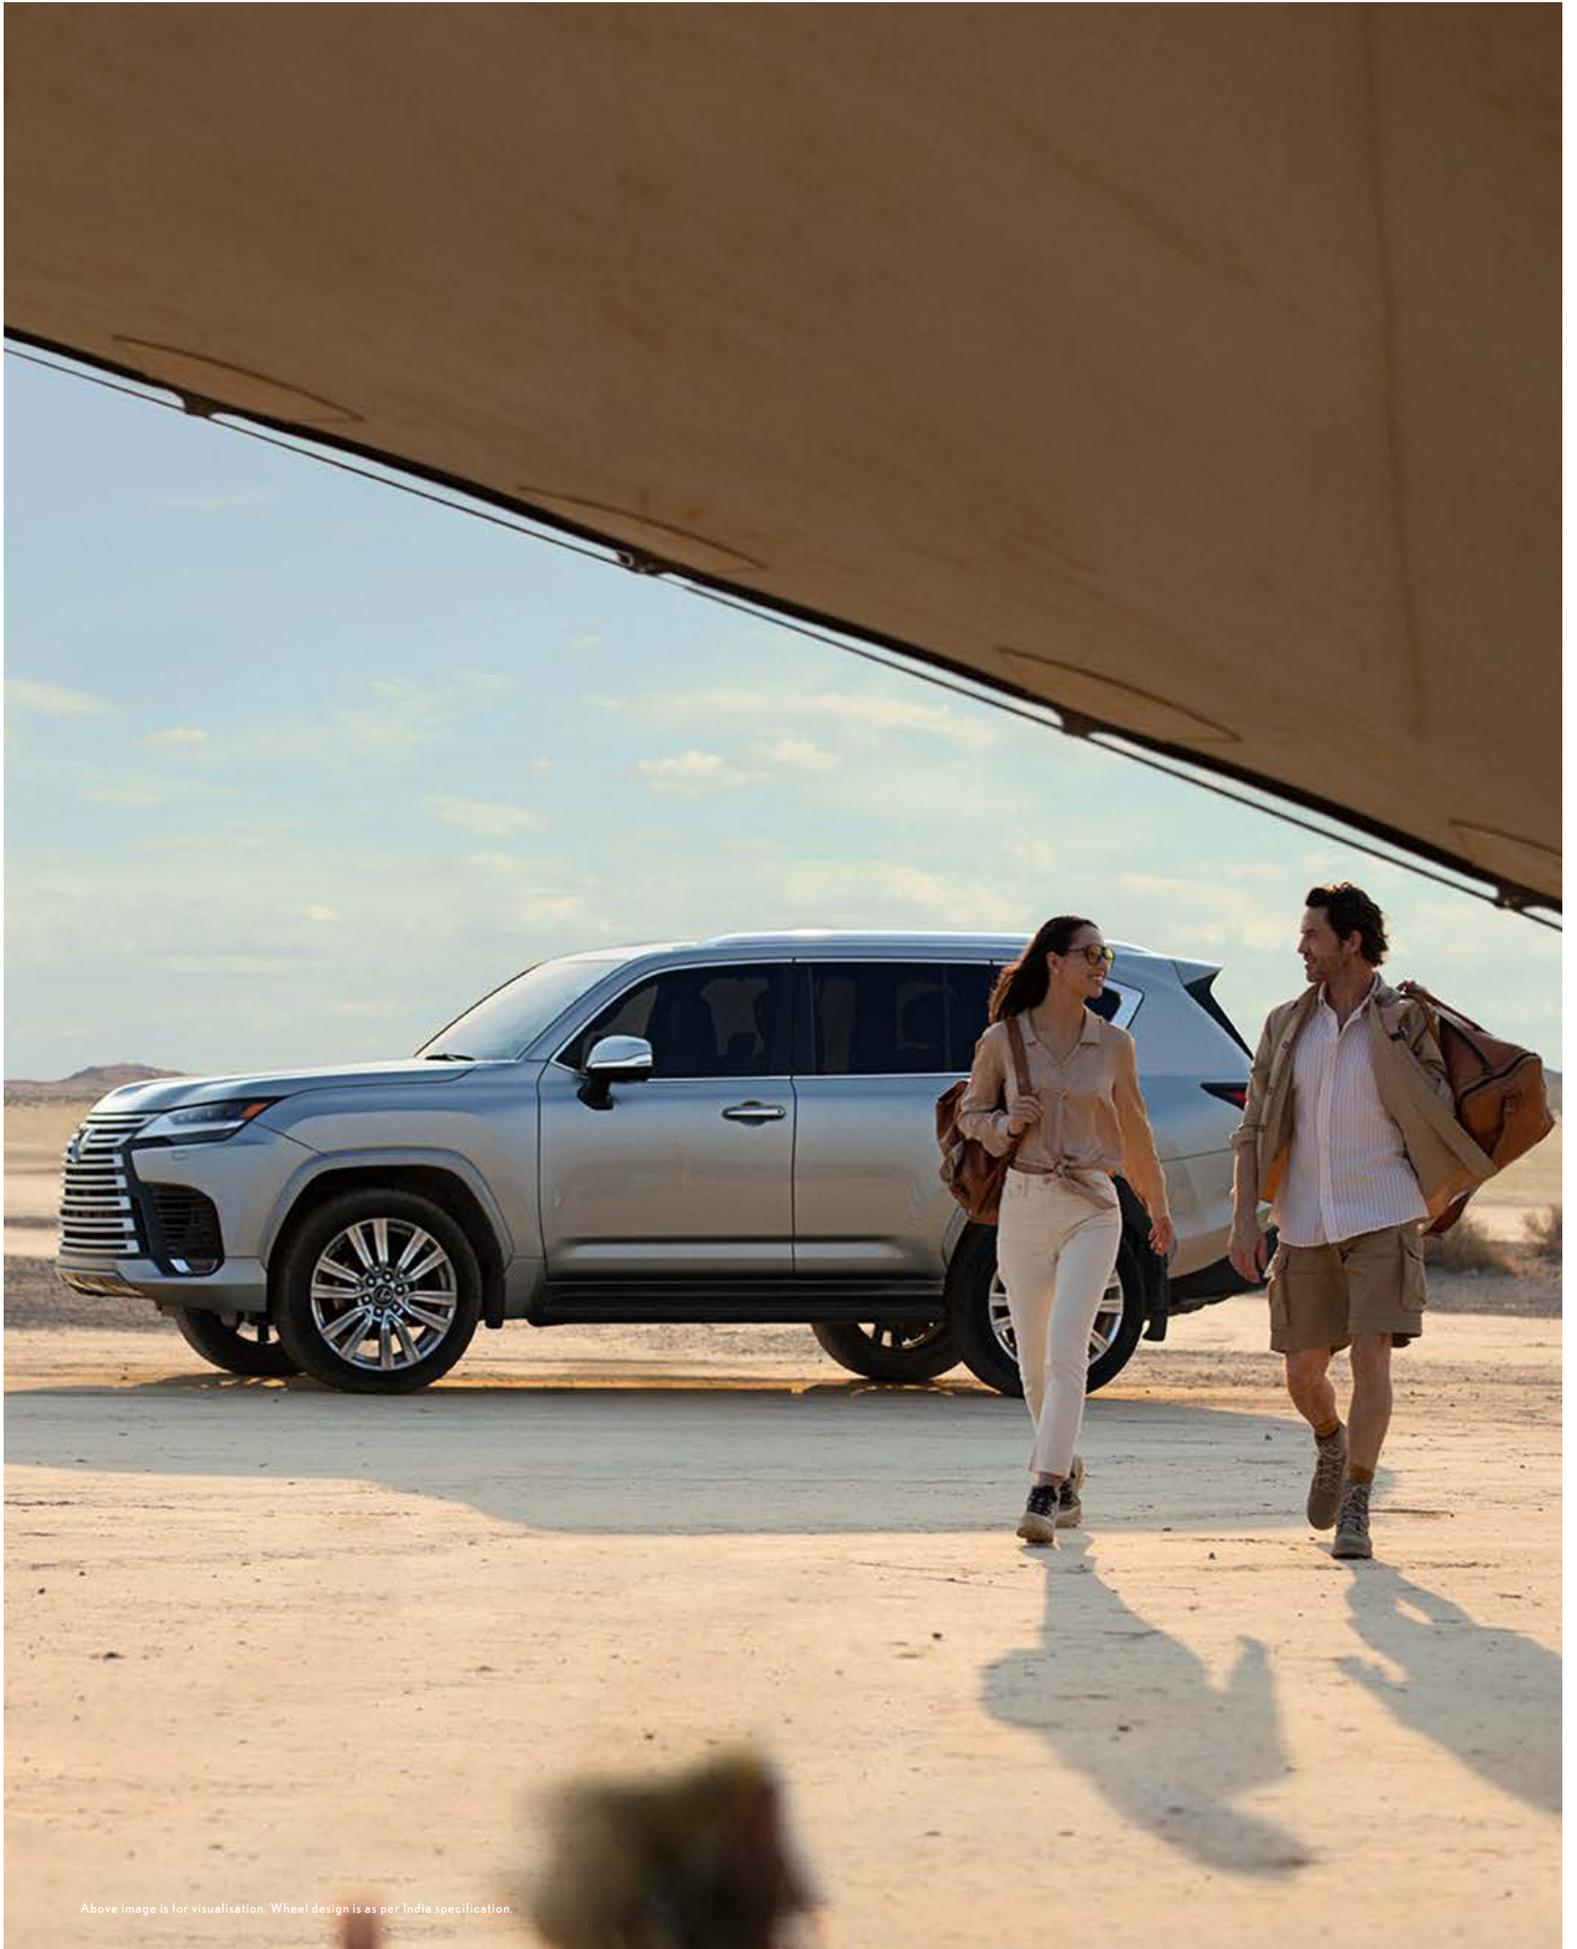

Multi Terrain Select and Crawl
Control gives the LX superior
ground-covering performance across
myriad driving conditions.

UNCHARTED EXHILIRATION

Delivering the ultimate in strength and refinement, an all-new platform serves as the foundation for exploring the uncharted trails on the all-new LX.

Above image is for visualisation. Wheel design is as per India specification.

UNCHARTED EXPERIENCE

Completely reimagined to elevate your driving experience. The LX's Tazuna cockpit is minimalist, with a two-tier layout providing a wide landscape that offers a vast expanse and unparalleled comfort. With intricately upholstered surfaces, it encompasses the front passengers in an environment of uncharted luxury that's accented by all-new soft illumination.

Discover uncharted spaces in a spacious interior filled with thoughtful accommodations that offer more space for more spontaneity, the all-new LX offers the adventurer everything but compromise.

UNCHARTED INTUITIVENESS

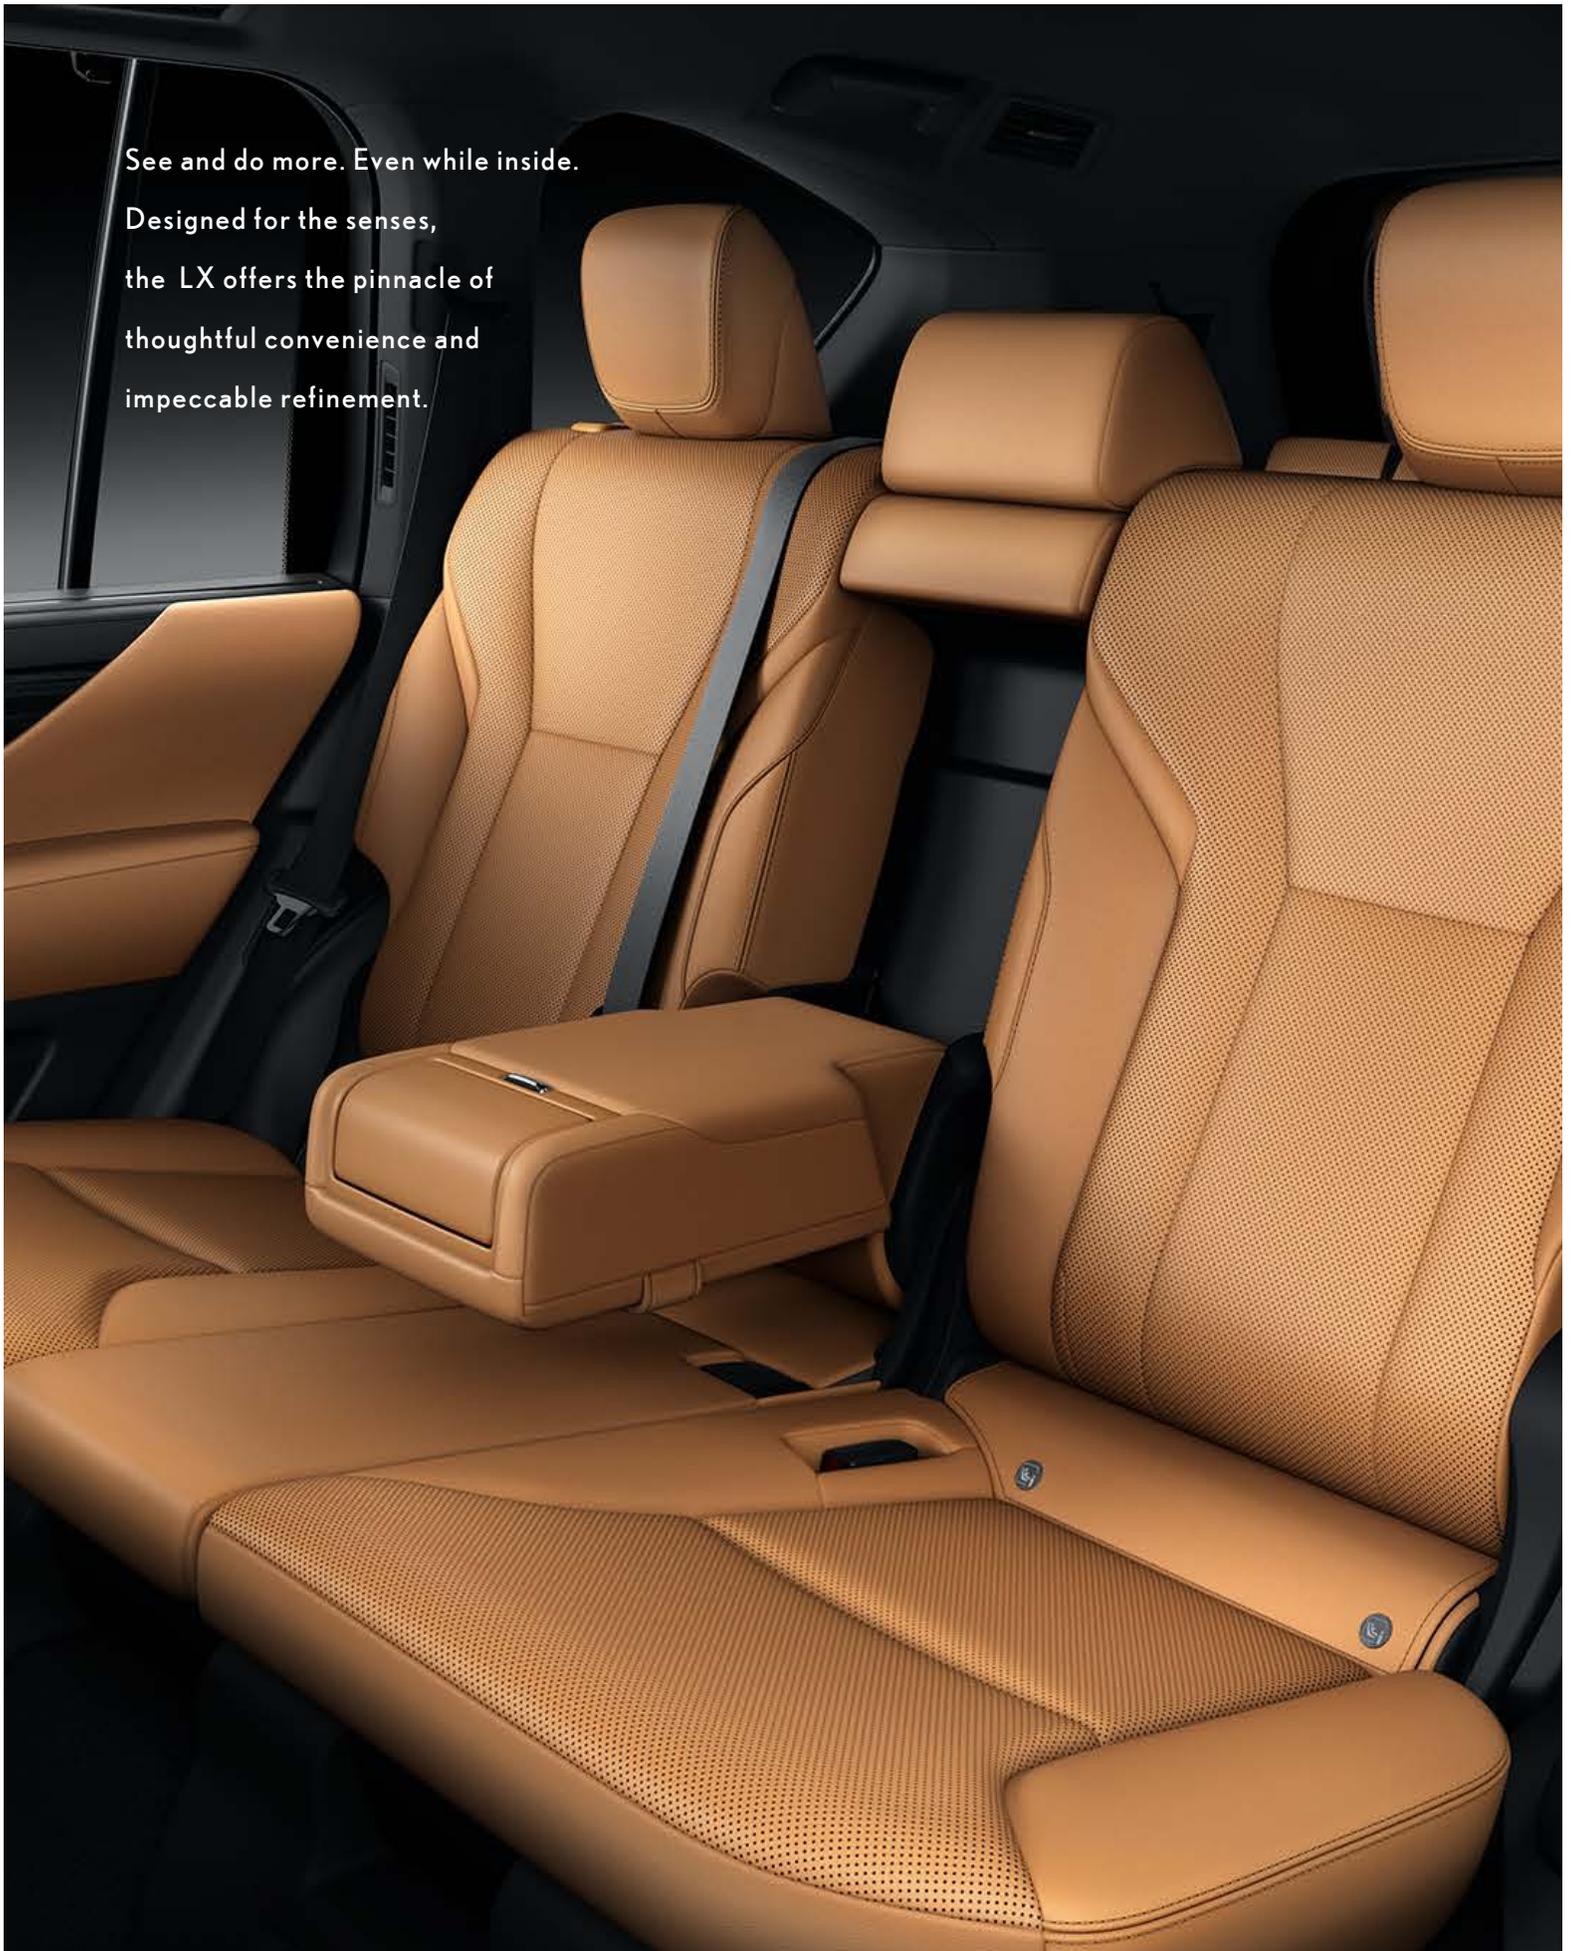

While every aspect of the spacious LX interior was designed to reward the senses, it offers the epitome of world-class comfort and uncharted luxury. It embodies 31.24cm EMV Multimedia Infotainment Touch display intuitive technology with the ultimate in gracious hospitality and a 17.78cm Driver Dynamic Control Touch Display.

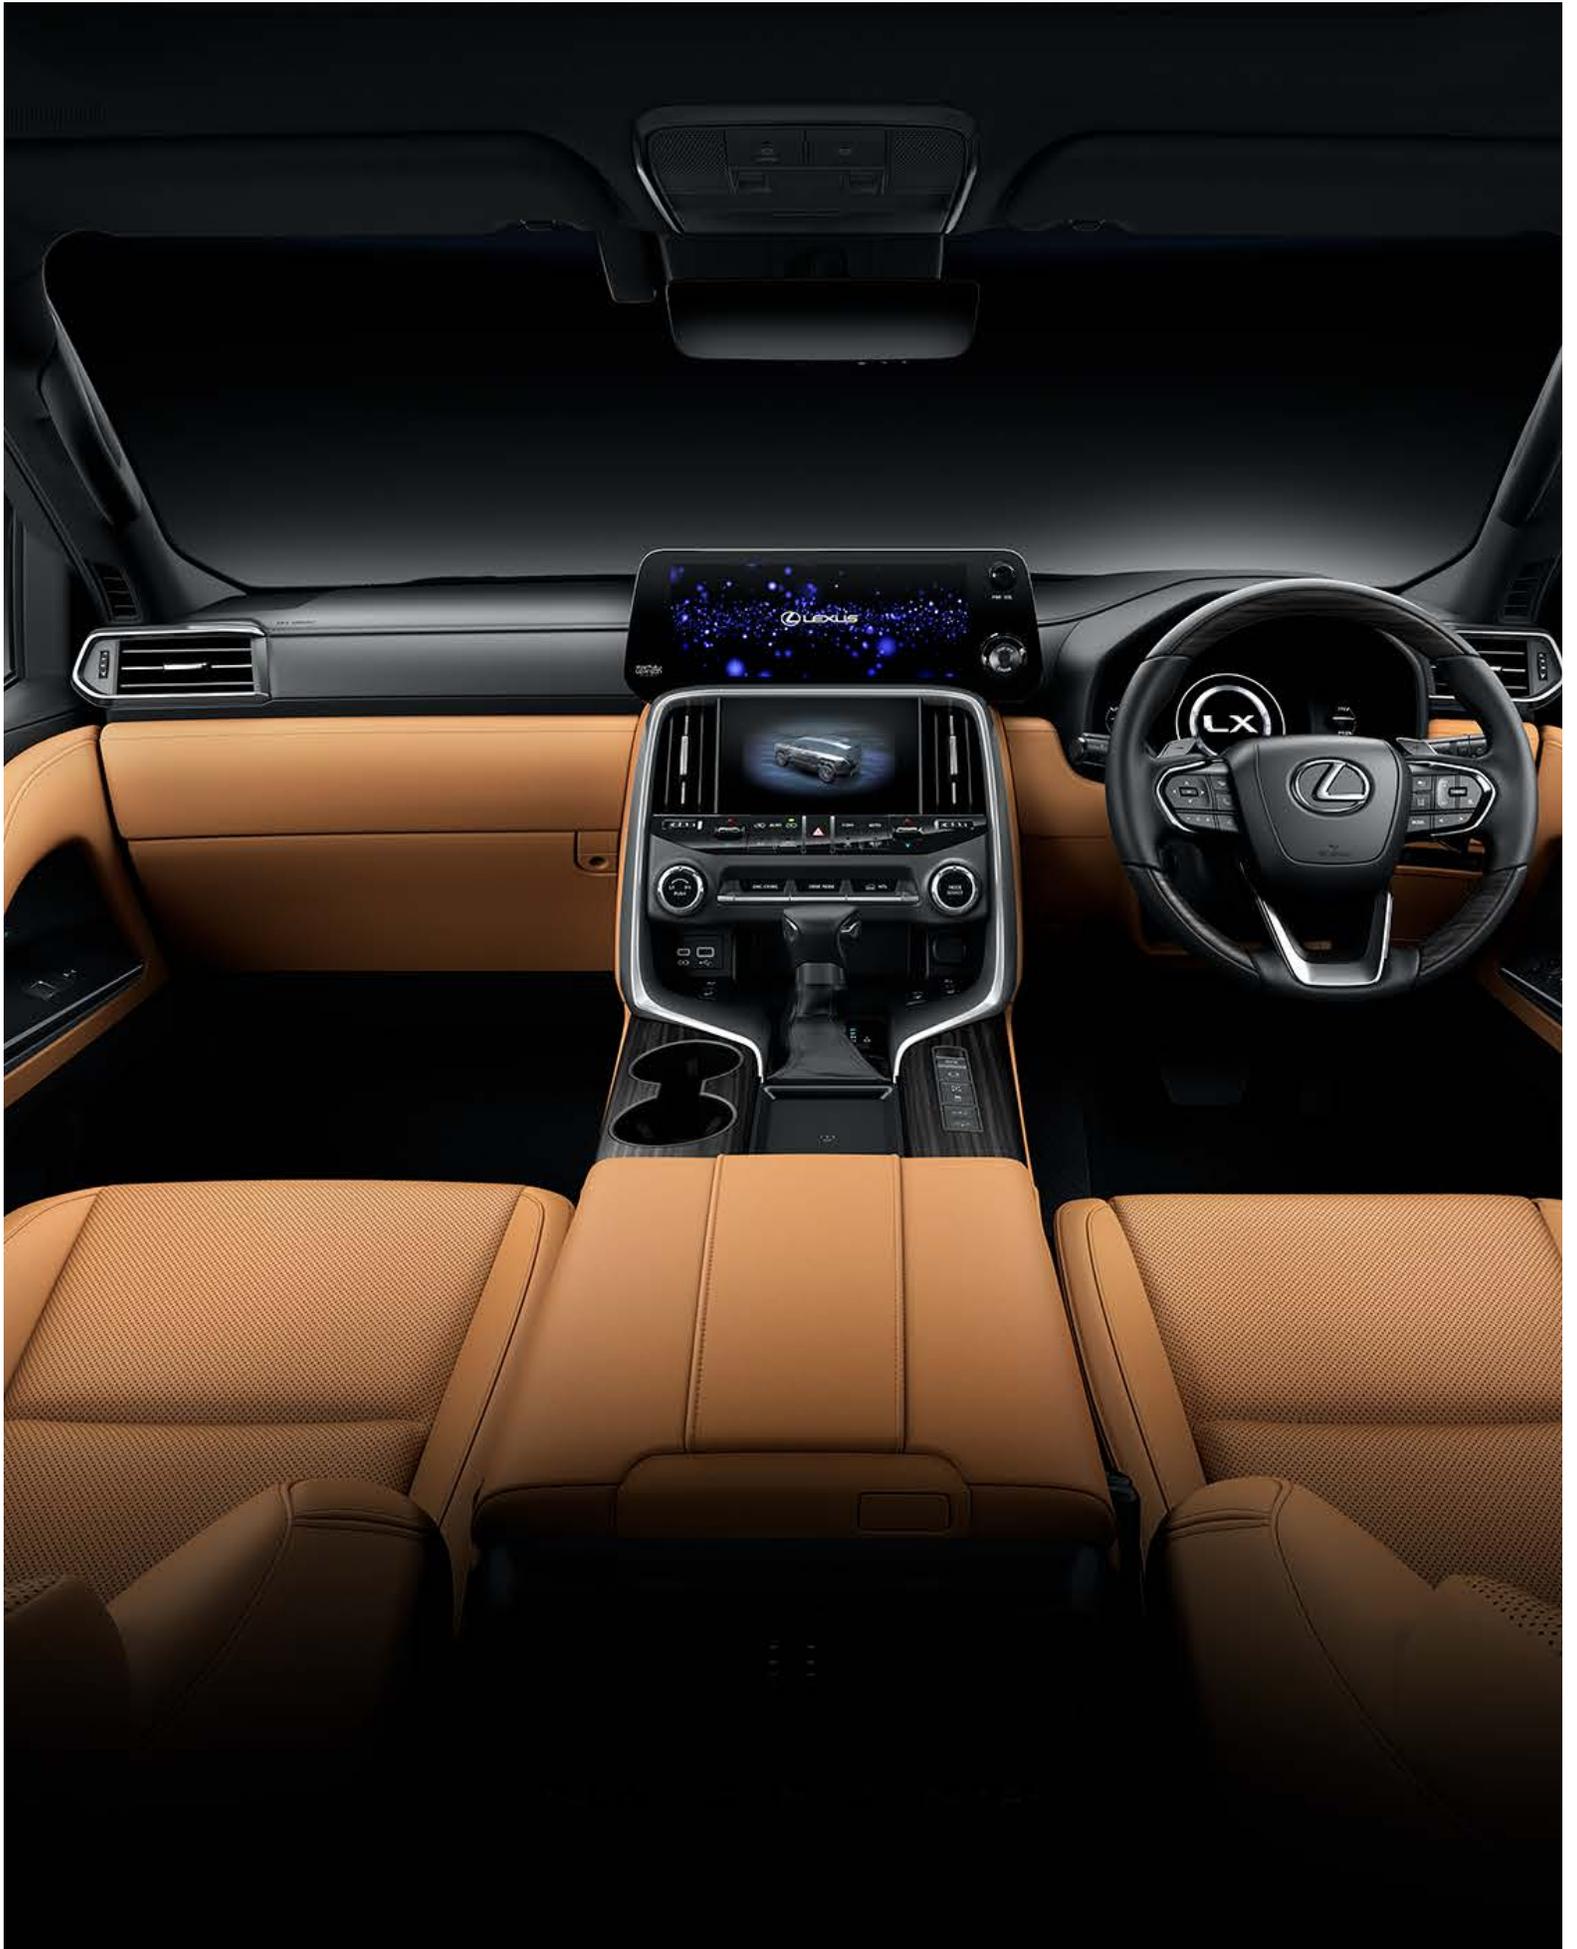

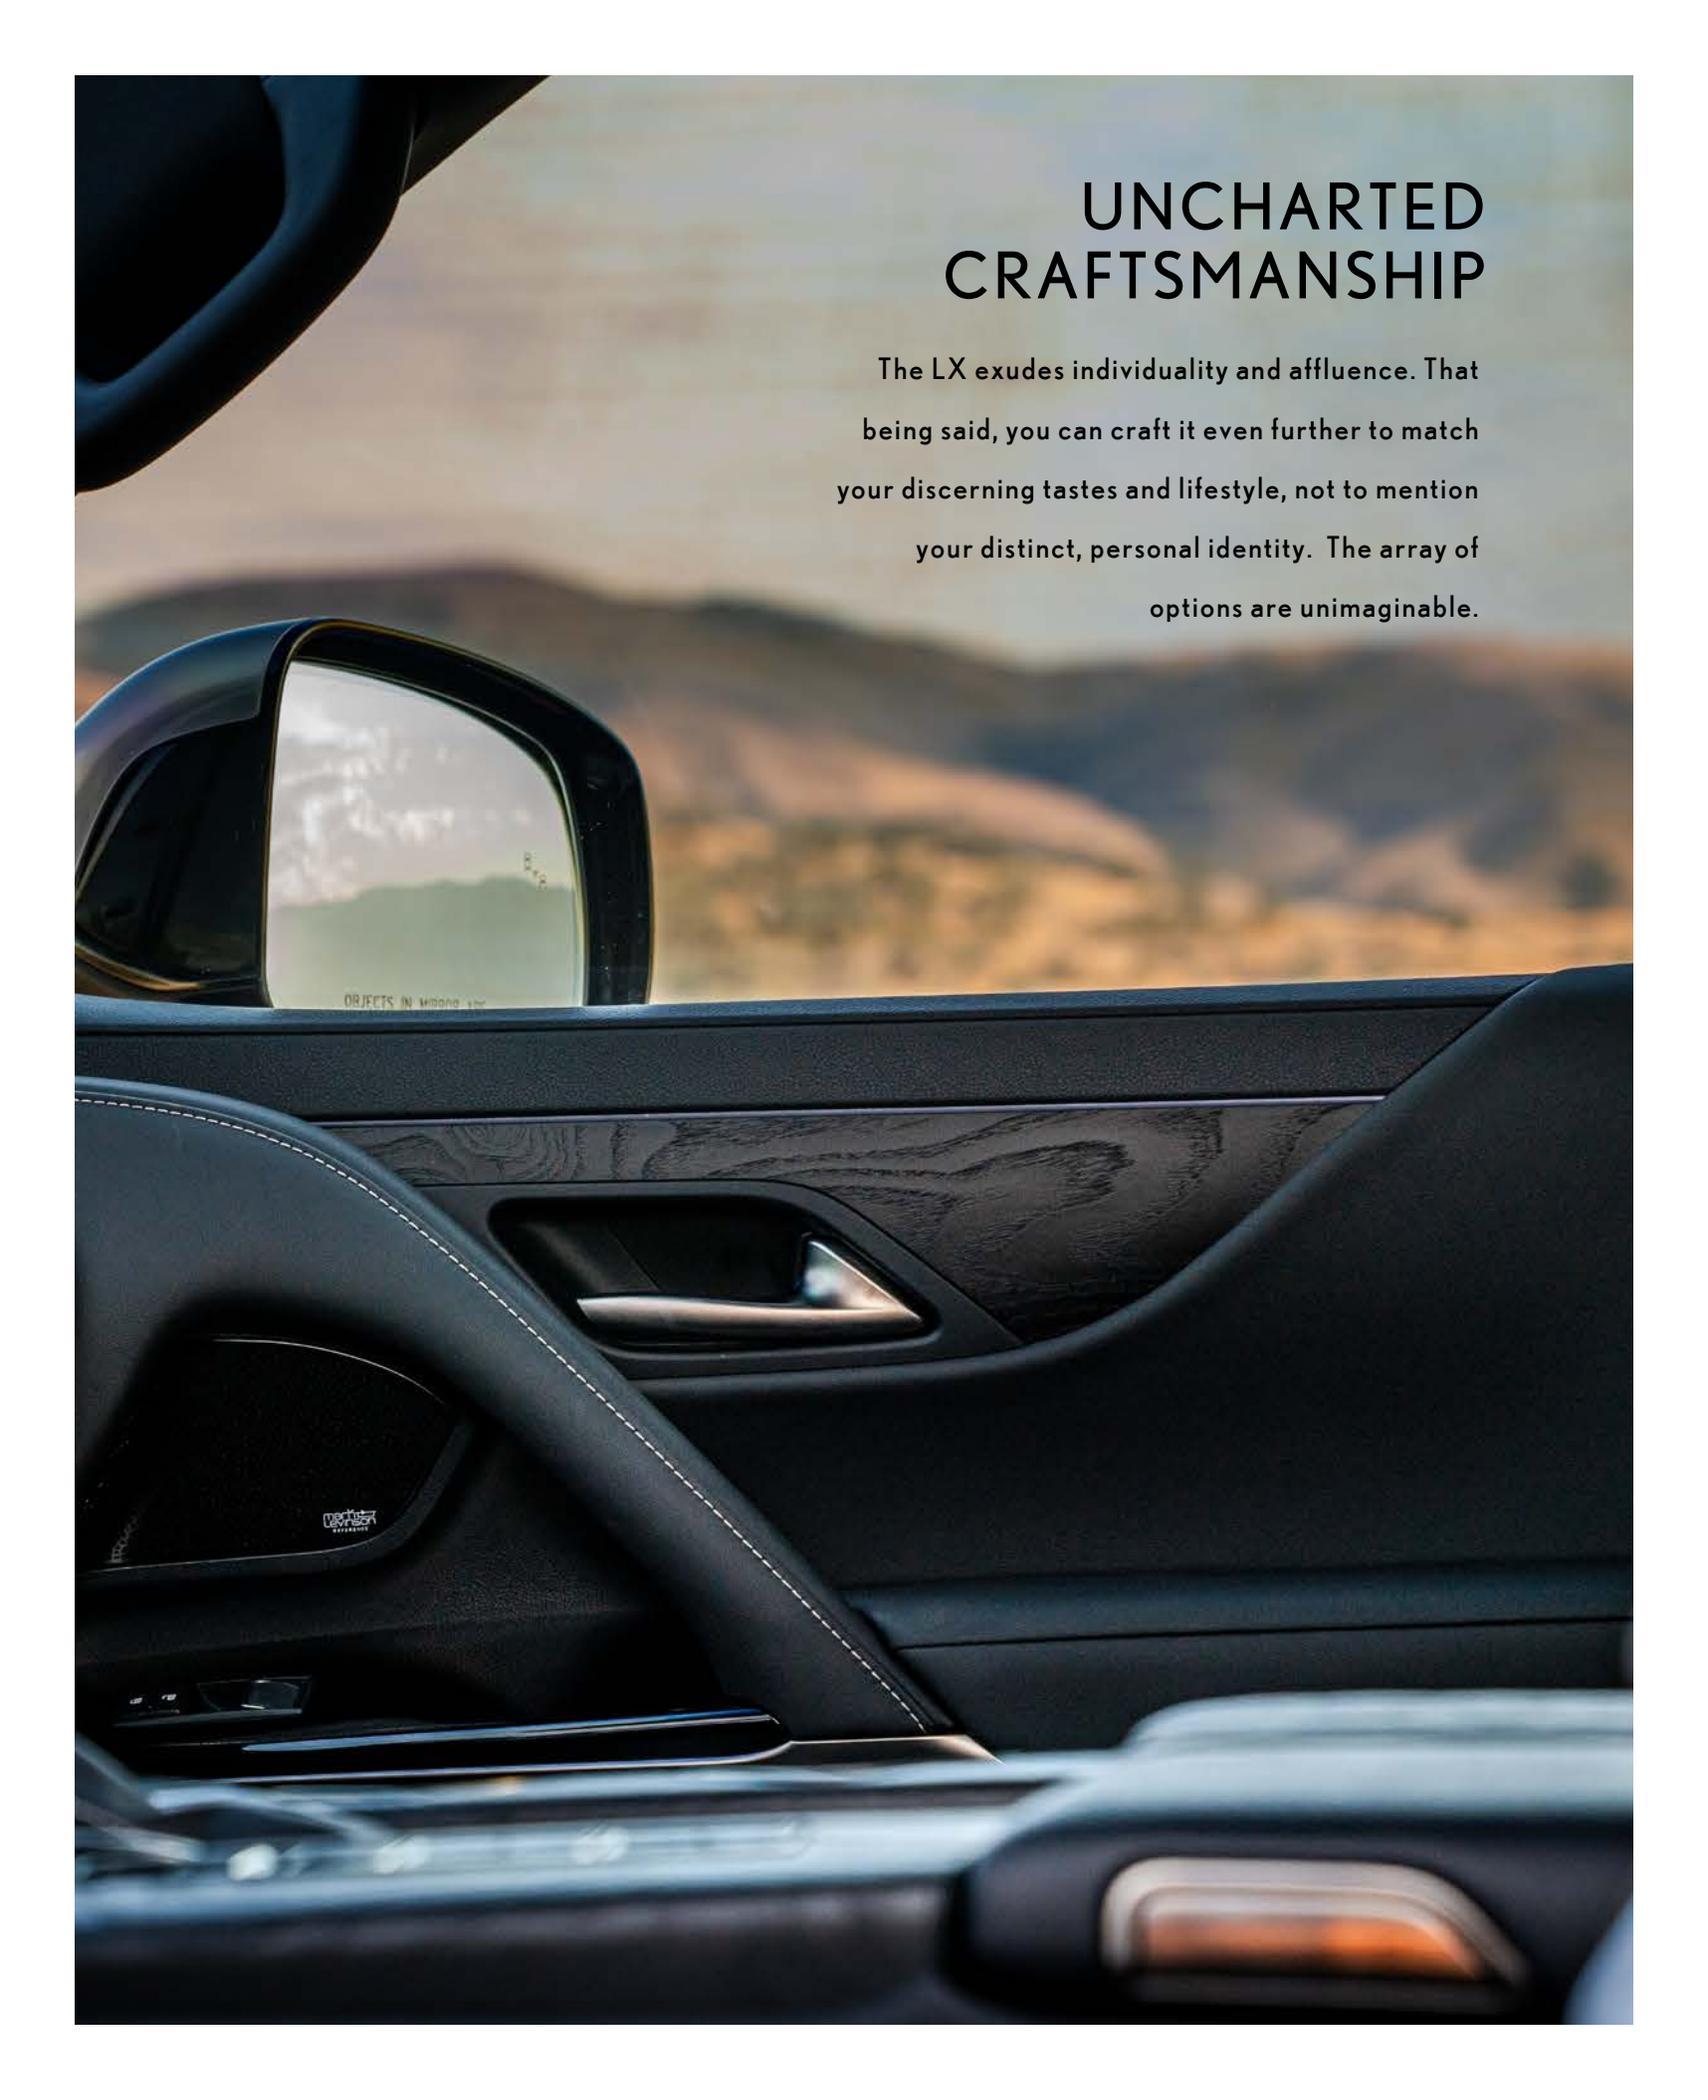

Actual features and specifications of the vehicle may vary from the visuals shown herein. Toyota Kirloskar Motor Pvt Ltd (for Lexus India) reserves the right to alter, add or remove any feature and/or specification, without prior notice.

See and do more. Even while inside.

Designed for the senses,
the LX offers the pinnacle of
thoughtful convenience and
impeccable refinement.

The image shows the interior of a car, focusing on the passenger side door and the side mirror. The door panel features a dark wood grain finish and a leather door handle with white stitching. The side mirror is black and reflects a mountain landscape. The background is a blurred view of a mountain range under a clear sky.

UNCHARTED CRAFTSMANSHIP

The LX exudes individuality and affluence. That being said, you can craft it even further to match your discerning tastes and lifestyle, not to mention your distinct, personal identity. The array of options are unimaginable.

EXTERIOR COLOURS

From glimmering Sonic Quartz to striking Titanium, the LX comes in a range of sophisticated exterior colours.

Every option comes in a luxurious finish, giving the LX a sense of presence on the road.
